To The Secretary to the Government of Madras.

Development Department.

Sir,

I forward for the information of Government a copy of the proceedings of a meeting of the Board of Visitors to the Government Trade School, Mangalore, held on 1st June 1936.

SN.19.6.

Ag. Director of Industries.

Proceedings of the meeting of the Board of Visitors to the Government Trade School, Mangalore, held on Monday the 1st June 1936.

Present:

1. M.R.Ry. Dewan Bahadur B.Mahabala Hegde Avl.,B.A.,B.L. President, District Board, South Kanara-Chairman.
2. M.R.Ry. Rao Bahadur N.Venkata Rao Avl.,
3. The Inspector of Industrial Schools, Secretary.

Item No.1. Admission of one Mr. C.Rego as a special student may be decided upon at the next meeting after consulting the Manager, Messrs Volkart Brothers (Curing Works), with reference to his qualifications and fitness to be admitted to the Steam Engineering class.

Item No.2. A period of only two years is too short to enable students to acquire sufficient skill in Carpentry. It is, therefore, highly desirable that at least a 5 years course may be fixed. Government is requested to favourably consider this aspect of the case.

Item No.3. This Board offers its sincere thanks to the Mangalore Municipality for the generous award of 6 scholarships.

This Board recommends to Government that Government may award similar scholarships to this institution as is done in the case of other Government institutions.

Item No.4. This Board strongly recommends to Government that the institution may be placed on a permanent footing by running the institution in its own building as the institution is popular and has justified its existence.

Secretary.
